

Matching VET with Labour Market Needs – How to Assess the Skills Demand

DC dVET Literature Overview

This literature overview has been compiled in view of the DC dVET Webinar held on 14 May 2020, which had a focus on the Western Balkans, Republic of Moldova, South Caucasus and the Ukraine. The overview makes no claim to completeness.

Cedefop. (2020). Skills Panorama. Turning labour market data into accurate and timely intelligence to offer new insights into skill needs in the European Union.
